All Day. All Night. No Sweat(shop).

Premium Hemp & Organic Cotton
Not only is the blend of Hemp and Organic Cotton better for the environment and the end user but it makes for a superior wristband.

Eco-White means Eco Friendly
Our white wristbands are whitened using eco-friendly hydrogen peroxide bleaching methods instead of chlorine. The bright colors are achieved through low impact reactive dyes as well.

Why Organic & Fair Trade?

Why not? Fair Hemp has developed a great line of products at very competitive prices to the standard fare. Organic cotton spares the pesticides and Hemp reduces the amount of fresh water wasted. Workers are paid a fair wage and there is never any child labor. Your customer gets a premium product without you paying a premium price. Everyone wins.
